

# WEDDINGS AT THE IN & OUT 2009

## INTRODUCTION

Congratulations on your forthcoming marriage and thank you for considering the Naval & Military Club to host your special day.

The Naval and Military Club, affectionately and traditionally known as the 'In & Out', is a magnificent venue with superb facilities in the heart of London's Mayfair. Your guests arrive at No. 4 St James's Square, to this beautiful building that has retained all of its original features of its glorious staterooms. Steeped in history with its grand and illustrious past, this Grade II listed house is the perfect setting to astound your guests. Entering through to the Inner Hall, to the sound of the baby grand piano, to the beautiful columns and the grand staircase, it is a perfect welcome for your special day.

The 'In & Out' has a variety of rooms suitable for an intimate soiree up to grand scale entertaining. All of our rooms including the Inner Hall, have double height ceilings, large windows and beautiful chandeliers. Each space is individually styled, full of history and complete with beautiful paintings. The club is a wonderful venue year round; with a charming central court yard for summer weddings and many of the rooms have log fires for winter receptions. The club is grand, yet it has that 'at home' feeling.

We also have 49 bedrooms available to your guests, and with the Colonial Suite complimentary to the new couple, why not hold a champagne breakfast for the morning after?

We have included an outline of prices and our menu suggestions. The menus and drinks packages can all be amended to meet your requirements and our chef is more than happy to work with you to design your own menu for your special day. Please remember this is your day and nothing is too much trouble so if you do not see what you are looking for, then please just ask.

## TESTIMONIES

"Just wanted to say a big thank you for everything you did to make our day on Saturday unbelievable. I am so depressed it is all over as I had such a great time working with you to organise it! Everyone loved the venue, the food was superb (including the breakfast which received so many compliments), the staff were charming and the drinks and dinner service outstanding. I know you had to deal with multiple suppliers as well as a details obsessed bride and you did so with calm efficiency and total professionalism. We shall definitely be hosting parties with you again so watch out!" **Gradden, December 2008**

"The wedding was absolutely wonderful; I just wanted to say how much I appreciated all the time and effort that all the catering team put in to the whole occasion, thank you so much" **MacDougall, November 2008**

"Back from honeymoon now and back into real life again, we wanted to write and send a great big thank you for organising such a beautiful party for us. We had such a fabulous day - much of it in part to the splendid wedding breakfast and "after party" at the In and Out. Everything ran so smoothly and we were wonderfully looked after by everyone. We loved the job you had all done with decorating the Coffee Room, producing all the excellent food - including our cake - and making the whole reception run without a hitch. Thank you so much for accommodating our needs on the day. Even breakfast the next was fantastic and our resident guests loved it. Please do pass on our thanks to everyone involved in making the day so perfect for us" **Ellison, September 2008**

"I wanted to let you know that the staff at the Naval and Military Club did an absolutely superb job, and Event Manager was wonderful. All my family and guests remarked on how excellent the staff were and the quality of the food - which far surpassed our expectations. So a big thank you to you and everyone involved in organizing our day - it all went perfectly" **Macleod, August 2008**

"We had a super day on Saturday which gave the In & Out a huge amount of credit. From the moment we walked down the road and into St James's Square and I saw everything so beautifully set out along with you and your team, I felt that all would go well. Having the Square looking so well manicured and bathed in sunshine, it gave everyone a warm feeling that they were in for a very stylish wedding occasion; and so it was. The Head Chef and his team produced excellent food, very well presented and everyone involved with serving it did a very professional job. It was a very happy and an excellent day; well done" **Browne, June 2008**
